

Nordic Ways is very happy to announce that RZ Mask from America has become our new sponsor of this year's minithlon. This brand has just entered into China for a year, but already become popular among Chinese people.

On the scene of this year's minithlon, the top three of each category will get a RZ mask worth of 198 RMB (smaller size for kid). In addition, we will also announce some other masks as prize by lucky draw onsite. And please note your Weibo ID when you sign if you are one of the fans of Nordic Ways Weibo. The representative of Beijing [Aogear](#), the sole agent of RZ MASK, will also introduce their products onsite.

RZ Mask is an incredible new product sure to change your breathing experience. The easily replaceable built in N99 Active Carbon Filters provide the highest level of air filtering, removing over 99.9% of dust, particulates, pollen and odors in the air. A Duel Valve system is integrated into the sides of the mask for one-way Easy Breathing exhaust system. The cut of the mask is streamlined to allow maximum comfort when worn with goggles and helmets. Tested in the most rugged conditions the Neoprene material offers excellent protection with maximum flexibility. Each mask comes in 3 Sizes
